

Kristin Maggi, MD - Board Member

Kristin Maggi has been teaching at Dawson Middle School in Southlake for 17 years, sharing her passion for science. She graduated from the University of Oklahoma with a degree in Science Education and has dedicated her career to helping young learners grow through curiosity and hands-on experiences. Kristin has been married to her husband, Deno, for 20 wonderful years, and together they have two incredible children, Milly and Decker. She is thrilled to be working with WAFF and looks forward to a fantastic year ahead serving children with seizure disorders and making children West Africa survive and thrive.
